

New Bronze model with amber glass shown on left

Outdoor Light KitTM

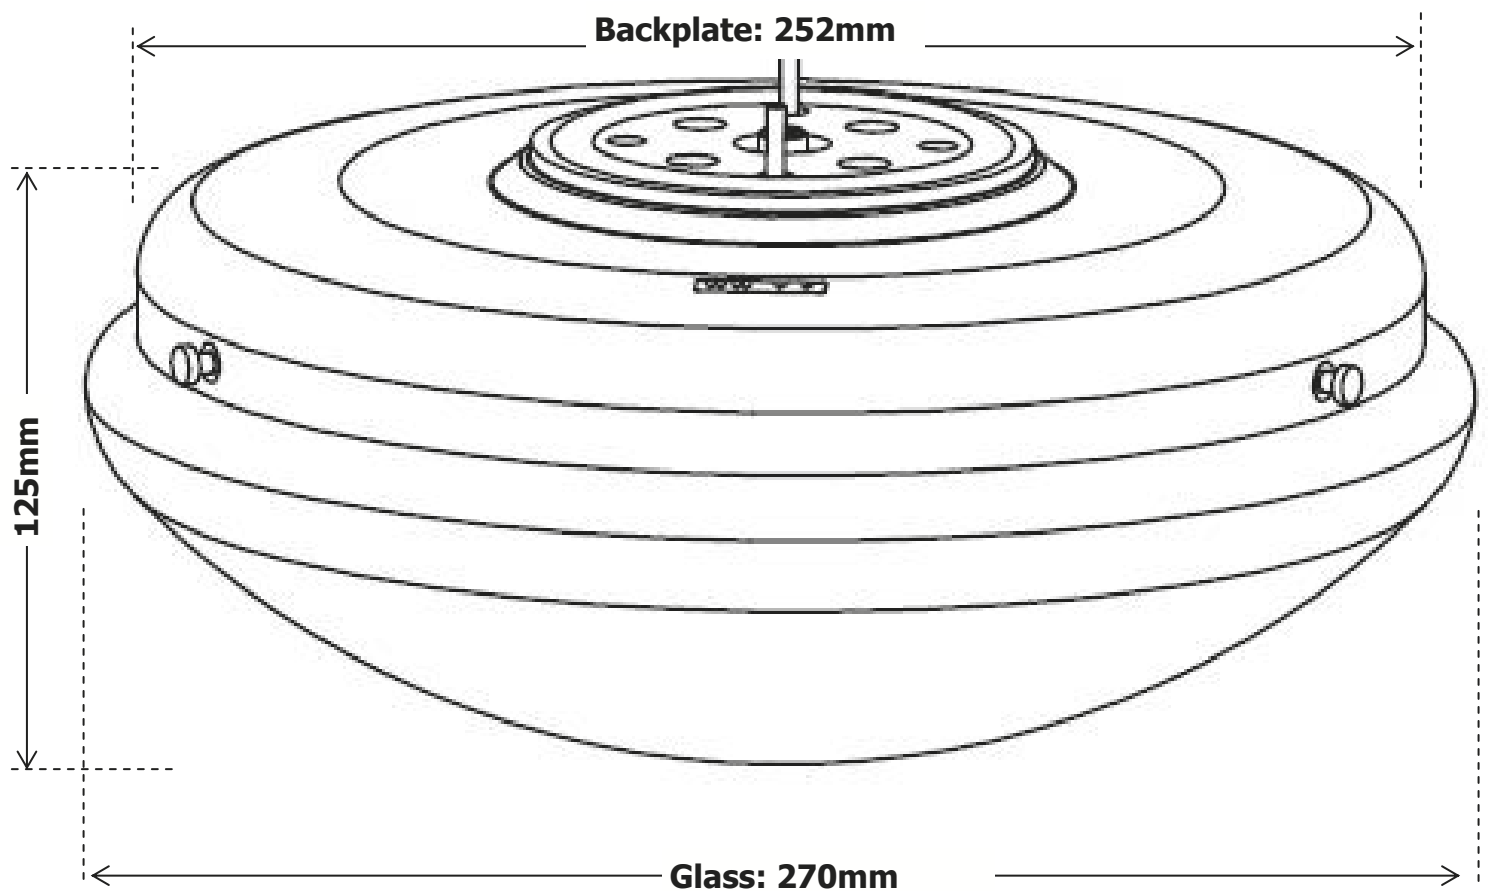

Outdoor IP23 rated light kit, ideal for outdoor fans, or for use in bathrooms and kitchens. The Outdoor Light Kit suits all light kit adaptable Hunter ceiling fans. 2 x E27 lampholders, the Outdoor light kit can be used with energy efficient CFL light globes, or energy saving halogen globe options.

24335: Outdoor Light kit New Bronze with Amber Glass

24336: Outdoor Light kit White with Frost Glass

24337: Outdoor Light kit Raw Aluminium with Frost Glass

Outdoor Light Kit™

When fitted to a Hunter ceiling fan, this light kit will add 125mm to height dimensions of the ceiling fan.

This fan light connects to the ceiling fan using the two keyhole slots on top of the light, which connect to corresponding screw holes in the ceiling fan, ensuring a solid connection designed to minimise wobble of the light kit. NB: The threaded rod merely acts as a cable carrier.
