

Controllers

Specifically designed for Hunter ceiling fans, these remote & wall controls will suit all applications. Specifically matched speed capacitors ensure your Hunter ceiling fan spins at the optimum speed, maximising air movement, minimising energy consumption.

24755

- RF remote control
- LCD display
- 3 speed fan control
- Low battery indicator
- Plug connections for quick DIY installation
- Wall bracket included

24794

- 3 speed fan control
- Separate Light switch (can be used as an isolation switch)
- Rectangular wall plate
